MAF Dalkia inks deal with TDIC's prestigious Eastern Mangroves development

Energy management and other multi-technical services to support Abu Dhabi's newest premier lifestyle destination

Dubai, United Arab Emirates, XX April 2013 – MAF Dalkia, a regional leader in providing multi-technical and energy management services, has been selected by Tourism Development Investment Company (TDIC) to support Abu Dhabi's newest premier development – the prestigious Eastern Mangroves. Under this three-year contract, MAF Dalkia will incorporate energy saving principles in addition to providing a diverse range of technical services enabling TDIC to operate the project as a world-class residential, retail and lifestyle destination.

"MAF Dalkia is pleased to bring our expertise to TDIC, Abu Dhabi's leading developer of major tourism destinations and to support the on-going development of the prestigious Eastern Mangroves," said Alexandre Mussallam, CEO of MAF Dalkia. "We are excited to incorporate our energy optimization principles into the project, and bring a superior level of service demanded by a development of this calibre."

MAF Dalkia's scope of work for the Eastern Mangroves will cover all developments within the wider site to include Mechanical, Electrical and Plumbing (MEP) services, Asset Management and Help desk services, and a range of support soft services. Furthermore, MAF Dalkia will be running a dedicated energy centre featuring a 6,000 TR district cooling plant.

TDIC's Eastern Mangroves development occupies more than 2.5 million sqm on a 1.2 kilometre stretch of Abu Dhabi's protected mangrove district on the eastern end of the Corniche. Boasting an integrated mixed-use concept, when complete the Eastern Mangroves will features premium residential complexes, a fully equipped marina, a retail promenade and a 5-star hotel facility.
