

Meet our experts at  
booth 8100, hall 7

January 15-18, 2018  
ADNEC, Abu Dhabi, UAE

WORLD FUTURE  
ENERGY SUMMIT

PART OF ABU DHABI SUSTAINABILITY WEEK

**Discover the advantages of integrated, customer-centric Energy & Facilities Management and the use of Solar PV plants as part of our Energy Efficiency solution.**

Meet our experts on **January 15-18 from 10am to 5pm at booth 8100 in hall 7.**  
The HR team will answer your questions on January 16 and 17.

For a deeper insight, attend our presentation at MEFMA's Focus Sessions  
at the Energy Efficiency Expo (hall 5) on January 15 at 2:30 pm:

**“Importance of integrated, customer-centric and digitalized Energy & Facilities Management solutions for long-term savings” by Francisco Ramalheira, Business Development & Marketing Director**

More info and free registration on MEFMA's website.

# WORLD FUTURE ENERGY SUMMIT

PART OF ABU DHABI SUSTAINABILITY WEEK

**ENOVA**  
by **VEOLIA**

**Building Energy Efficiency Services**

**Integrated and customer-centric Energy & Facilities Management**  
Customised results and savings through a holistic approach.

- 1 ACQUISITION:** Identification of areas of optimisation
- 2 IMPLEMENTATION:** Installation of Energy Conservation Measures (ECM)
- 3 OPERATION & MAINTENANCE:** preventive and reactive maintenance to increase the building's efficiency and extend the life cycle of its assets

**M&M WITH CONSTANT MONITORING:**  
over 10,000 data points from 2,700 assets across multiple operations for real-time management

**Renewable Energy as part of the Energy Performance Approach**  
Enova has developed innovative business models to accommodate the different objectives of our clients. In all cases, we provide engineering, procurement, installation, commissioning, operations and maintenance.

- SOLAR PV PLANT OWNERSHIP
- SOLAR LEASE
- POWER PURCHASE AGREEMENT

**ENERGY EFFICIENCY**
